

WARRIOR FELLOWSHIPS: SEASON 2

WEEK TEN

*But Christ proved God's passionate love for us by dying
in our place while we were still lost and ungodly!*

—Romans 5:8 TPT

DISCUSSION:

When I was in Heaven, I realized what kept me from receiving from God was not knowing the Father's love. I didn't understand His love for me. Once I saw that I was validated, I could receive from Him. He loves me more than I love myself, and He cares about me more than I care about myself. When I came back to the Earth, I realized that there's a battle down here for that truth. No one is going to appreciate you more than God Himself.

You can't expect people to respect you or treat you the way you should be treated because they just don't have the understanding. Most people that are haters are that way because they've been hated. They have been rejected and have experienced this, so they transfer it to others. We at Warrior Notes are destroying the works of the devil because Jesus destroyed the works of the devil.

❖ **Isaiah 7:9-12 AMP:** And the head (capital) of Ephraim is Samaria, and the head of Samaria is Remaliah's son [King Pekah]. If you will not believe [and trust in God and His message], be assured that you will not be established. Then the Lord spoke again to [King] Ahaz, saying, "Ask a sign for yourself from the Lord your God [one that will convince you that God has spoken and will keep His word]; make your request as deep as Sheol or as high as heaven." But Ahaz said, "I will not ask, nor will I test the Lord!"

- A Prophet was speaking to an ungodly King in this verse, and the King could not receive from Him the Word of the Lord.
- It says plain and clear that if the King does not believe and trust the Word of the Lord from the Prophet, he will not be established, nor will he remain. He will disappear.

- The Lord spoke again to King Ahaz, saying, “Ask for yourself a sign, a token, or proof of the Lord, your God, one that will convince you that God has spoken and will keep His Word.
- King Ahaz replied and said, “I will not ask nor test the Lord.” How many times have you heard people say that?

How does God validating you differ from people validating you?

- The Lord is saying, “I'll give you a sign; I'm going to confirm my Word. You can ask it from the deepest depths of hell or as high as Heaven, but I will confirm that my Word is true and that I keep my Word.”
- The key phrase is He will keep His word.
- The God of Israel wanted to engage.
- God wanted to prove Himself.
- The spirit of religion keeps people out.
- Relationship and intimacy with God bring people in.
- People think that if they ask God to confirm something, they're on the right track.
- Somehow, they believe that they're tempting God.
- The Lord says, ask me, and I'll give you a sign that I will keep my word to you.
- Signs and wonders will follow the preaching of the word.

- God confirms His word with signs following.
- Jesus said, if you ask, you're going to receive. If you ask, it will be given to you. If you seek, you will find. If you knock on the door, it will be open to you.”
- King Ahaz had an opportunity to engage with God through a prophet, and God agreed to give him a sign, and he did not allow it; he chose to believe a lie.
- He decided to go his own way. The reason why people don't receive is they choose their own way or their own religious idea.
- King Ahaz said he didn't want to tempt the Lord, but God said, “Ask me for a sign.”
- I've heard people say, “I'm not going to approach God or talk to Him,” but Moses talked to God as a friend.
- David was a friend of God, and so was Enoch. Jesus talked to God as a friend and a Son.
- It all stems from unbelief.
- You believe lies and then walk in unbelief, and unbelief prevents you from receiving from God.
- Then there's fear, which causes you to back away from God.
- You think that He's someone who's going to judge you, hurt you, or punish you, whereas it is satan who is the one who steals, kills, and destroys.
- Jesus said, “I've come to give you life, and life more abundantly (John 10:10).
- There are four things that keep you from receiving from God; Believing lies, unbelief, fear, and rejection.

- A person who is in rejection has the issue of false humility.
- False humility looks like when people feel they can't ask God for something.
- They get by on the bare necessities, thinking that if God wanted them to have something, He would provide.
- They have this mentality that they're going to suffer for Jesus. False humility is really because a person is in rejection.
- I know this for a fact because of what I saw in Heaven; God's not withholding anything from us.
- If the devil's children have all these things we need and want, why couldn't God give His children good gifts?

ISREAL HAD THE BENEFITS AND THE PROMISE

- Israel left Egypt with the gold and silver.
- There was not one feeble among them. That means no one was sick.
- Their clothes and shoes did not wear out in the desert.
- They were provided Manna, which is supernatural food from Heaven.
- Every day they had water coming from a rock.
- God kept His promise and loaded them down with benefits on the way out.
- It was like this for 40 years, but they were still in rejection.
- They had Moses go up the mountain because they were afraid.
- God gave them everything. He delivered them, and He kept His word for 400 years.
- They were in rejection.

- They did not know their God.
- If they knew Him, they would have gone up the mountain.
- They said He was unapproachable to them because they saw fire and heard thunder.
- He *was* approachable, but they were blinded by fear and rejection.

GOD SENDS JESUS

- God sends Jesus to die in our place.
 - He took our place even while we were still lost and ungodly and provided forgiveness.
 - Jesus Christ is the proof of God's passionate love for us.
 - He did this before we were born.
 - Jesus pays the price and takes our place, and all we have to do is enter in.
 - We can start receiving the benefits of being a son/daughter now.
 - Just ask Him, and He will give them to you.
- ❖ Jesus Christ is the proof of God the Father's passionate love for you. He came and did this before you were even born, so how can you live in unbelief? How can you believe the lies? How can you live in fear or rejection if your Father God sent Jesus Christ before you were even born to take your place? Every morning you wake up is another opportunity to walk out of unbelief and lies, to walk out of fear and rejection, and walk into God's acceptance. In Heaven, when I was there, I was right by the Father on the throne and right there

with Jesus. There were Angels and Saints everywhere. There were all these living creatures that I can't even describe to you. They weren't animals, but they were beings I'd never seen before. I was fully accepted when I was there, but I had always been accepted, and I always existed. I was always known up there. I was in Christ and already in God. I came out from Him and became a living soul, and God gave me the opportunity to accept the way of Salvation. We are all from God. There are people in hell right now that shouldn't even be there. I saw that I was always loved and fully accepted. I saw that everybody's book up there portrays this very fact. There are people in hell whose books are in Heaven, and they were never supposed to go to hell. They were never rejected. Instead, they rejected it because they didn't receive it. God's love pushes back all fear. It pushes back rejection. It pushes back unbelief. It pushes back lies. It drives out each of these things so that you can experience that you are fully accepted.

DISCUSS: The four things that keep you from receiving from God.

1. Believing Lies:

2. Unbelief:

3. Fear:

4. Rejection:

PRAYER AND ENCOUNTER:

I just want to yield to the Spirit and just wait on the Lord for a little bit here with all of us. I want to allow the Holy Spirit to minister to you, the Father's love without words, just us just praying. And I just want you to bow your heads right now. I want you to just join with me in the power of the Spirit in this place that we're at right now. I want to end your rejection, fear, unbelief, and the lies you have been believing right now. I want you to let the Father right now by His Spirit, like right now, reconcile with you and let God show you. Let Him give you a sign that you're on the right track right now. Father, just thank you so much.

We just yield to your spirit right now in the name of Jesus. Healing. Healing flows right now from the throne of God. The healing oil. The anointing oil flows right now from the throne. The river of life flows right now—right to you. Wherever you are, I break every resistance in the name of Jesus right now. Let the river flow. Let the Lord heal you right down with His oil of joy as He anoints you with oil. Receive His love right now. He loves you. Destiny has come to your doorstep tonight. Destiny has come to you. Receive. There it is. Hallelujah. Healing has come. Hallelujah. Joy. Joy in your presence.

Oil of joy. Forever you will be in His presence, completely whole and healed and delivered completely in love with your God. No hindrance, no hindrance. I command bodies to be healed right now in the name of Jesus. I command hearts to be healed in the name of Jesus, minds to be set free and transformed in the name of Jesus. I command your finances to be healed right now in the name of Jesus. I see the path of your destiny being lit up right now. The Lord is lighting your path up.

The Angels have lit the path up for you. They're ushering into your destiny. They're ushering you in right now. Hallelujah. Hallelujah. Healing power. Let the river flow. Let the river flow. Hallelujah. Yes. And the spirit says, there you go. You're on your way. On the path of righteousness. The path that I prepared for you. You're on your way. There you go. Just walk with me. That's what the Spirit is saying. Just walk with me. You're on your way. I will bring joy from within you.

Settle it in your heart that you will believe the Lord, your God. Settle it in your heart right now that He has your destiny, that He has your well-being. He has plans. He is going to do more than you could ever ask or imagine. He's going to accomplish everything according to what He is already determined. It's His perfect plan for you, and those voices will be silent right now that are speaking contrary. The Lord is silencing the enemy —silencing those voices that are contrary to what the Lord has for you. Ha joy, joy, glory. The glory. The glory is coming. Just yield right now. Just yield the glory is here. Hallelujah

Oh, the glory. The glory. Oh, Father, you're here. You're here, Father. The Lord is going to make it right. He just keeps saying that I'm going to make it right. I'm going to make it right. I'm going to make it just. I'm going to justify it. I'm going to cause it to come straight. I'm going to line it all up for you. It's not too late. The Lord said I'm here. It's not too late. I'm here. He's saying, and I'm here, I've come. My arm is not too short that I can't save.

Thank you, Father. May your word be established forever, Father. You are the supreme authority over everything and everyone, and we love you. We serve you because we want to serve you. We love you, Father. Thank you. Thank you. That

you make all things new, hallelujah, you're the God of restoration. You're the God of transformation. The God of reset. You reset it. Oh, all things new. Hallelujah.

The Lord says I'm coming to your house. I'm coming to your job. I'm coming to your Church. I'm coming. I'm going to change. I'm going to transform. I'm coming to your children. The Lord's going to visit. He's going to visit in dreams and visions. Thank you, Lord. Your Word is forever. We can trust you, Lord. Thank you so much for your faithfulness. And we resist not. We submit. We acknowledge you in all our ways, and we know that you direct our path's. We know that you're with us, Lord. You go before us. You put the fear on our enemies. You put the fear of you on our enemies, and they disperse. And the Lord says, "Where are those who resist me? Where did they go? They're no longer here. Where are those contrary voices? I can't hear them. They're not here anymore." That's what the Lord is saying. He shows up, and the enemy scatters, and He silences the enemy. Hallelujah, Lord.
